## INTRODUCTION

Build Team's case studies have been created to allow you to delve deeper into, and explore some of, our favourite projects so far. Through the updated 2022 Lookbook Collection, we hope to highlight individual projects and provide informative content for all of our prospective clients.

Each case study presents a curated gallery with floorplans, sketches and images of the design details, alongside project information and the clients' thoughts on their finished home, as well as their experience of working with Build Team.

## PROJECT PROFILE

**Extension Type:** Side Infill

**Size:** 26SQM (extension only)

## KEY FEATURES

### 01 Maple Wood Floor:

This herringbone wood flooring gives both style and contrast to the dark and grey tone throughout the kitchen.

### 02 Kitchen Island:

This island, is perfect for quick prep meals. And the marble, is a great match with the wooden finishes featured in this space.

### 03 Statement Lighting:

The ceiling lights add warmth and subtle style, against the matted finish of the kitchen cupboards.

**04 Patio Doors:**

These classic patio doors, are the perfect fit for the given space. Framing the exterior of the house, and welcomes you into the garden.

**05 Velux Rooflights:**

These welcome in additional light from above, which can be seen along side the extension into the corridor.

**06 Statement Backsplash:**

The light ceramic backsplash is a great contrast between light and dark features in the kitchen.
